EDUCATION

Pennsylvania State University | State College, PA

BS in Computer Science

Graduation: Spring 2024

Cumulative GPA: 3.2

Awards: Deans List 2020; Trustee Scholarship for Engineering

PROJECTS

Personal Portfolio Website | HTML; CSS | Link: tomisinsalu.com

Summer 2022

- Created a responsive website design using Figma UI tool.
- Added and styled elements on my webpage using HTML & Vanilla CSS.
- Utilized Media queries in my code to optimize my website for various screen sizes.
- This website provides me with a platform to showcase my personal projects to the world.

eBay Sniping Bot | Python OOP

Summer 2022

- This program takes an eBay product's URL and the users maximum bid as its arguments. It then uses web-scraping techniques to retrieve product information.
- Implemented datetime module to convert scraped time into correct format. The program waits till respective time to execute a bid method.
- Utilized Python's selenium library to automate the login and bidding process on the eBay platform.
- This bot gives the user 90% guaranteed chance of winning eBay bids with little to no manual effort.
